

## Important Back To School Notice for Residence Hall Students

As you are making your final plans to pack and move to campus next weekend, we would like to take a few moments to share some important details about the move-in process as well as living on campus.

Move-In will be unique for 2009 as the development of the McAlister Place Project progresses. We have created move-in maps and parking permits for each residence hall, including upper-class communities. Please be sure you download and review the traffic map and appropriate Building Move-In Map online here: <http://housing.tulane.edu/arrive/direct.html>

In addition, you will find **Helpful Hints** and a checklist of **What To Bring and What Not To Bring** online: <http://housing.tulane.edu/arrive/direct.html>. The check-in details and basic steps are outlined on this website: <http://housing.tulane.edu/checkin.html>

Move-In Day 2009 will follow the schedule below. Please adhere to these times to ensure all students have the opportunity to move-in with as little effort as possible. For new students, we have a record number of our upper-class students signed up as volunteers who will be on-hand to assist you in unloading your belongings and getting you checked into the residence halls on Saturday morning.

Saturday, August 22, 2009

- First-Year Students Move In after 8:00 a.m.
- Upper-Class Students Move In after 4:00 p.m.

Finally, this is your **official notice and receipt** of the Residence Hall Policies & Community Living Standards available for download here as a PDF: <http://housing.tulane.edu/standards.html>. Please take time to review the rules related to living in residence halls on-campus.

If you have any questions in the interim, please do not hesitate to e-mail us at [housing@tulane.edu](mailto:housing@tulane.edu). We look forward to seeing you next weekend!
