## Housing & Residence Life

### 2024-2025 Community Living Standards

1. **Community Environment:** As a member of the residential community you are responsible for contributing to an environment that promotes the academic [mission of Tulane University](#). The following are policies that support that process:
  - a. **Quiet Hours:** Quiet hours in all residence halls and adjacent areas are Sunday through Thursday 9:00 pm – 8:00 am and Friday and Saturday 11:00 pm – 9:00 am. This is inclusive of residential and common spaces such as bathrooms, lounges, hallways, resident rooms, adjacent outdoor areas, etc. Outside of set quiet hours, all other times are considered courtesy hours where noise should not be a disturbance to others. A resident may request, or a Housing and Residence Life staff member may require, a resident(s) to reduce their noise if it is disruptive to the community.
  - b. **Guests and Visitation:** Visitation refers to the *privilege* of having guests in your room and the residential area in which it is located. The rights of other residents, especially your roommate(s), take precedence over this privilege. A *visitor* is any guest of a resident in the community between the hours of 6:00 am and 12:00 am. An *overnight guest* is any guest of a resident in the community between the hours of 12:00 am and 6:00 am. Guest and Visitor Policies can vary based on University Protocols.
    - i. Resident hosts are responsible for the conduct of their guests and visitors. Hosts are liable for any damages incurred to their room and/or residence hall and will be assigned appropriate sanctions because of their guest's behavior and/or actions.
    - ii. Guests and visitors are expected to adhere to all [University](#), Housing and Residence Life policies, and Louisiana state laws. It is the responsibility of the resident host to ensure that the policies, Community Living Standards, and Code of Conduct are understood by their guests and visitors.
    - iii. Hosts must escort their guests and visitors within residential areas at all times. Hosts may not allow their guests and visitors to occupy their room without their presence or to give their room key and/or student ID to their guests and visitors under any circumstances.
    - iv. Guests and visitors are not permitted to sleep in residential common areas or any space other than the host's designated room.
    - v. Hosts must obtain permission from their roommate/suitemates before their guest or visitor arrives to campus. Hosts cannot disrupt their roommate's/suitemates' academic or personal well-being or prevent their use of the room or any shared spaces.
    - vi. Although visitation by guests and visitors is permitted, cohabitation is not. Guests are not allowed to take up residence in rooms to which they are not assigned. Overnight guests are permitted up to three (3) consecutive nights. Residents may not host more than two (2) overnight guests at one time. Residents may not host overnight guests more than nine (9) nights in any 30-day period.

  - x. Guests and visitors must carry picture identification (i.e. state license or passport) at all times. If a university official (Resident Advisor, Desk Staff, Resident Director, Tulane Police Officer, Security Officer, etc.) asks for identification, guests and visitors are expected to show proof of identification.
  - xi. If a guest or visitor fails to follow policies/expectations, they will be required to leave immediately and not allowed to return to the residence hall.
  - xii. If a resident host fails to comply with the above stated policies and expectations, their actions will be documented and subject to behavioral sanctions. Violation of the above policies could result in loss of guest privileges at the discretion of Housing and Residence Life.
- c. **Disorderly/Disruptive Behavior:** Actions that negatively impact the community or residential environment are considered disorderly or disruptive behavior. These include, but are not limited to playing loud music, yelling, engaging in hall sports, misuse of community or resident property, altercations, voyeurism, etc. The residence hall staff reserves the right to inform residents that a gathering is disruptive and to end it at their discretion by requiring visitors to depart.
